**Theme: Mind the skin - the hard facts**

The 15th congress of the European Society for Dermatology and Psychiatry will deal with many aspects of the challenging interface between the skin and the mind, from neuroimmunology to the psychosocial and cultural aspects of appearance. The varied programme is aimed at attracting participants from numerous backgrounds, while maintaining a focus on the clinical consequences of psychodermatological problems.

The congress is held in Roskilde

The venue of ESDaP 2013 is Roskilde Congress Centre. Roskilde is an ancient city dating from the Viking age. The most important historical sights are the Viking Museum and Roskilde Cathedral. Roskilde offers a refreshing, unpretentious atmosphere with its markets, galleries, museums and beautiful waterfront.

Roskilde is easy to reach using Copenhagen Airport with numerous international flights. The train ride from Copenhagen to Roskilde is approximately 20 minutes.

We hope you will join us and look forward to welcoming you in Denmark!
